Staff Report: Mrs. Mazie

• Each teacher asked their class what would you like to do more of and less of in 2024

Principal's Report: Mr. Raimo

- We can learn from our kids if we listen there were some beautiful things in that list that Mrs. Mazie just read off!
- Thank you to Ms. Boele for showing us what goes on behind the scenes; we are fortunate to have a full time position because we used to share this position

- 4G's teacher will be going on maternity leave; her last day will be January 19 and a great leave replacement is coming January 22

- Kid's Night A simple wholesome night of fun; pease join us and cheer on your child!

- Your messaging to your children about what you think they can do is important; we
 need to model for our children that if they work hard and don't give up then they will
 have opportunity for growth; let them hear (don't assume they know) that you believe
 in them and that they can work hard at things that are challenging
- As part of the staff's responsive classroom training we learned that the language we
 use around our children is important; call them Mathematicians and Readers and
 Writers because then you are telling them they ARE these things
- Always remind them of your values and your expectations; set boundaries; trust but verify and let them know you will be checking their online use
